An 8 week group to help children ages 7–9
**Overcome the Impact of
Domestic Violence**

This group will help children to:

- Realize they are not alone in dealing with violence. ▪ Learn to deal with their feelings.
- Acquire positive ways to express anger. ▪ Master coping skills to lower anxiety levels.
- Discover their strengths. ▪ Find ways to get help in dealing with violence.

Group led by Guldeniz Yucelen, Psy.D.
