

It's time to prevent girl Bullying

Girls age 10–14 are invited to join
Cornell Scott-Hill Health Center's
Child and Family Guidance Clinic
for this **10 week group**.

Mondays
from 5:30–6:30 pm

Girl Bullying: Relational Aggression Prevention

For more information contact
Rachel Collins, MS, NCC

203-503-3210
rcollins@hillhealthcenter.com

During this 10 week group girls will:

- Learn strategies for dealing with relational aggression
- Challenge negative belief systems about girl's behaviors
- Learn assertiveness skills and strategies
- Build self-esteem and confidence
