

Listen! up!

A 10 week group for teen boys and girls (ages 13–17) that provides a peer supportive environment using a musical approach

Group meets Wednesdays
from 3:00 – 4:00 pm

Child & Family Guidance Clinic
226 Dixwell Ave, New Haven

Cornell Scott
Hill Health
Center

www.HillHealthCenter.com •   

In this group you will:

- ▶ Use music to connect with peers
- ▶ Use music as a way to improve self expression
- ▶ Use music to identify and discuss common community and teenage issues

Cornell Scott-Hill Health Center Child and Family Guidance • 226 Dixwell Ave, 2nd floor, New Haven, CT
